

Dear....,

We are thrilled that we have completed the TCO analysis at your organization.  
You can save AED... if you start using Microsoft 365!!

In relative terms, this ...% of savings that you can bring to your organization!!

Attached is the detailed report along with the summary of the results.

We also have more insights that we would like to share with you in a face-to-face meeting.

When is a good time for you to meet for 1 hour this week?

We are looking forward to hearing from you.

Regards,
